

Lewisham shopping is the brand name for Lewisham Shopping Centre which opened in 1977 with a gross retail area of 330,000 sq.ft. It promises a complete shopping experience suited to the whole family right in the heart of Lewisham.

As one of South London's most popular community shopping centres, Lewisham shopping has benefited from a major refurbishment in the past and now brings together more than 65 great stores, from affordable to mid-market, in one rapid evolving shopping centre all under one roof.

Centrally located in the heart of Lewisham Town Centre with excellent access by road, rail, bus or on foot, makes Lewisham shopping one of the most conveniently located centres in inner London and highly visible on approach. The adjacent multi storey car park offers 800 car parking spaces and carries the Parkmark Safer Parking award.

The centre is anchored by M&S, TK Maxx, Bhs and Sainsbury's. In addition it has a choice of high street shops such as Mothercare, Next, JD Sports, H&M, WH Smiths as well as a range of value stores for the savvy shopper.

The centre has a large catchment area of over 180,000 (within a 10 minute drive time) and provides promoters and retailers the opportunity to reach up to 160,000 quality shoppers each week. Our current shoppers have a strong female bias and are equally split between ABC1s and C2DE's, with 85% of ABC1's hailing from SE London postcodes, pointing at the catchments surrounding the centre.

Lewisham shopping is a prime location for promotional activity within London, with premium space available for promotional and retail use.
